(b) and (c) IRMAs have been appointed recently for monitoring the implementation of projects, IRMAs, are not mandated to make an assessment of implementation of reforms. The second and subsequent installments of Additional Central Assistance (ACA) for projects are released only upon receipt of proper utilization certificate from State Governments. The Central Sanctioning and Monitoring Committee (CSMC) before releasing the second and subsequent installments of ACA satisfies itself as regards the physical and financial progress of the projects under implementation and achievement of milestones as agreed upon by States and Urban Local Bodies (ULBs) for implementation of reforms.

JNNURM

†1232. SHRI LALIT KISHORE CHATURVEDI:
SHRI KRISHAN LAL BALMIKI:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) since when the Jawaharlal Nehru National Urban Renewal Mission (JNNURM) was started and the provisions made thereof;

(b) the amount released and spent on the projects during the last three years alongwith the number of such projects, State-wise;

(c) the States for whom no funds have been released, the details thereof alongwith the reasons therefor, State-wise; and

(d) the works which were to be undertaken under this Mission and the achievements thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI AJAY MAKEN): (a) to (d) JNNURM was launched on 3rd December, 2005. Under the Urban Infrastructure and Governance (UIG), an amount of Rs. 25,500/- crore and under Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT), Rs. 6400/- crore has been provided for Additional Central Assistance to the States/UTs during the Mission period of seven years beginning from 2005-06.

The details of projects approved/funds released in respect of UIG during the last three years is at statement-I (*See* below) and under UIDSSMT is in the statement-II (*See* below).

Under UIG, Delhi and Goa have not been released funds so far. Although Delhi has been sanctioned one project, funds could not be released for fulfillment of certain conditions imposed by the Central Sanctioning and Monitoring Committee (CSMC). Goa has not yet come up with eligible Detailed Project Report (DRP) as per JNNURM guidelines for sanctioning any project.

---

†Original notice of the question was received in Hindi.

Under UIDSSMT, States of Goa, Uttaranchal, and UTs of Andaman and Nicobar Islands, Puducherry, Lakshadweep have not yet constituted the State Level Sanctioning Committee (SLSC) for sanctioning and recommending projects under UIDSSMT. States of Arunachal Pradesh, Meghalaya, Mizoram have only recently constituted their respective SLSC and held meetings for sanctioning projects and to access funds during the current financial year. UT of Daman and Diu has recommended two projects for release of funds but the same could not be considered for want of formalities (contribution of UT share, signing of MoA) to be fulfilled by the UT Administration. State of Nagaland has recommended some proposals subject to technical clearance which is still awaited from the State Government. A project of Dadra and Nagar Haveli was recommended to Ministry of Home Affairs for release of funds; the same is pending because of inadequacy allocation of funds.

The works which can be undertaken under UIG and UIDSSMT of JNNURM include Urban Renewal, Water Supply, Sewerage and Solid Waste Management, Drainage/Storm Water Drainage, Roads/flyovers, Parking lots/spaces on public Private Partnership basis, Development of heritage areas, Prevention and rehabilitation of soil erosion/and slides only in case of Special category States where such problems are common and Preservation of Water Bodies.

In addition, under UIG, Urban Transport including MRUS/expressways/metro projects is also admissible component of works to be undertaken.

As on 31.10.2008, under UIG, 356 projects have been sanctioned comprising 108-projects on Water Supply, 71-Sewerage, 39-Storm Water Drainage, 1-Preservation of Water Bodies, 31-Solid Waste Management, 9-Urban Renewal, 1-Development of Heritage areas and 96 projects on Roads/Flyovers/Mass Rapid transport system/other urban transport.

As on 31.10.2008, under UIDSSMT, 505 projects have been sanctioned comprising 242-projects on Water Supply, 57-sewerage, 41-Storm Water Drainage, 9-Preservation of Water Bodies, 40-Solid Waste Management, 8-Urban Renewal, 1-Prevention of Soil Erosion, 1-Parking and 106-Roads.

Statement-I

Details of additional central assistance to States/UTs from 2005-06
